JUNIOR NON-COMP REPRESENTATIVES REORT

With the 2005 season now finished for Non Comp may I extend my thanks to all those parents who have put up with the cold early Saturday morning starts or after dark training sessions during the week to allow your child to enjoy the game of Soccer. This year the Club fielded 20 Non Comp teams with just short of a total of 200 players involved.

A special thanks to those of you who took on the role of Coach or Manager for your team, without whom we would be unable to field sides. For a number of you, this was your first year as a coach or manager and I am confident seeing the improvement in your team's skills over the season is reward for your extra efforts.

Each year the Club hosts an under 7s Gala Day. Ours was a great success this year, with us required to turn back entrants after reaching a field capacity at 30 teams (including 5 Wyoming teams - thanks for the support guys!). Parent support was again crucial to the day's success, as we simply did not have the committee members to deal with this scale of event without your support. Many of the away teams were very complimentary on how well run the Gala day was, so thank you to those parents who volunteered (some for quite lengthy stints in the canteen) and to those members of the Club's committee involved.

I wish you all the best in the "off season" and look forward to your return in 2006.

Steve Sutton
Non Comp Representative

CANTEEN REPORT

I would like to thank the Committee for their work this year not only with the running of the Club and official table every weekend but also for their backup in the canteen on occasion when the rostered teams didn't help. Without the canteen raised funds we would not have a Club as these funds contribute to the ground hire, lights, nets, balls, shirts etc.

I would like to thank the teams that did help out as your work is also invaluable and helps take some of the load off the Committee.

I hope you all had a wonderful season and will see you all back for 2006 which is only a few months away.

MAGAZINE REPORT

I would like to thank you all this season for your positive reports on your games each weekend.

The attached reports are only for the teams that have not provided us with the required Internet Consent Form to allow those reports to be posted on the web. All other reports that I have received will be on the web after this weekend.

Hope to see you all back next season for another 18 weeks of fun.

All players were on hand for a brilliantly even matched game between Terrigal and Wyoming. All our players were in wonderful form. James was in goal and saved the only 2 attempts at scoring in the first half. Michael, Chris and Matthew were great in defence. Jackson after many weeks at getting near the goals scored a beautiful goal not long before half time. In second half Matthew, Jordan and Mitchell were great in defence. Patrick was in goal in the second half and put in a fantastic effort against the Terrigal attack. Player of the Week Patrick.
