MID-YEAR SIGNING!

Obviously lacking in club committee members, the 35ES - which stands for EXTRA SPECIAL for the uninitiated - has received a major coup by signing the biggest committee member of all (I mean in stature, not weight size) -- Club President Kevin Lee !! There has been conjecture as to why has it taken so long for him to finally put the boots back on ... Were other committee members stealing the limelight by being in this illustrious team? Was it to assist the expanding injury crisis? Had he finally overcome tennis elbow? ... Apparently none of the above. Word has it Kevin was prepared to play Round 1 but was stalled when told he needed a new photograph for his registration card. Not happy with the poor depth of field of a smart phone camera or the lack of lighting contrast in your standard SLR; Kevin opted to contact a professional photo agency to accentuate his return ... unfortunately even being the President cannot advance your appointment time. Thankfully though all was processed before the May 31 deadline. Welcome aboard Kevin.

INJURY UPDATE

Jason put Andy's MCL injury (mri revealed a grade II tear) to shame when he turned up on the sideline of the 35AS game this weekend with one of his own - albeit in the form of a balloon of an upper left knee - ouch! Hopefully you make a quick recovery mate. Chris is confident he'll be back soon with ankle and thumb on the mend. And, if Dave stops running into planks of wood with his chest he'll also make a return soon from his rib ailment. Hoping Paul and Mark are on the mend as well. There were concerns Meady was injured when he came on as a substitute in the second half of the 35AS game. Miss kicks, direct passes to the opposition - the club doctor checked his condition, but no, he was fine - and has quickly been demoted back to the Extra Specials for this weekend.

THE NEW STRIP!

Marque signing Nathan Donzow took time out of his busy ~~beer drinking~~ schedule to appear in front of the Alan Davidson Oval paparazzi to reveal the new playing strip, proudly sponsored by SINGOS WHOLESALE MEATS...

Disclaimer: Sunglasses & bling are not part of the playing uniform ... but beer certainly is !!

LADDER AFTER WEEK 7

UMINA have edged in front of the competition with a 1-0 win over previous leaders EAST GOSFORD 2 who now drop to 3rd place with their second consecutive loss. EAST GOSFORD 1 claim outright 2nd after a 2-0 win of KARIONG. With an additional game in hand - and hopefully that being a win - WYOMING can climb back into the Top 4. AVOCA and SOUTHERN ETTALONG (who picked up their first win of the season) helped our cause by keeping WOY WOY and TERRIGAL away from us last weekend.
